Section 6-1513. Council Proposals for Amendments to the Zoning Ordinances --

Any revision of or amendment to the zoning ordinances may be proposed by the council and shall be processed in the same manner as if proposed by the director. Any such revision or amendment shall be referred to the director and the planning commission by resolution, which resolution shall be accompanied by supporting documentation sufficient to satisfy the director's usual requirements for the commencement of processing. If the planning commission disapproves the proposed revision or amendment or recommends a modification thereof, not accepted by the council, or fails to make its report within a period of either thirty days after close of its public hearing or ninety days after its receipt by the commission, whichever occurs first, the council may nevertheless adopt such revision or amendment, but only by the affirmative vote of at least two-thirds of its entire membership. *(1992 General Election Charter Amendment Question No. 5, and subsequent sections renumbered; 1998 General Election Charter Amendment Question No. 1(III), section and subsequent sections renumbered)*
